

## CATEGORIES & RUBRIC

All entries must be entered into one of the following categories and must have an agriculture theme.  
*Log onto our website in November for new lesson plans to help educate your students on each of these categories.*

**Animal Production / Ranching**  
**Plant Production / Farming**  
**Weed & Pest Control**  
**Energy / Natural Resources**  
**Predator Management**

### **Rubric:**

**Category Specific:** Does the bookmark effectively portray an issue or product that is Wyoming related and specific to their category entry? **25 points**

**Artwork/Appearance:** Is the artwork neatly done with a lot of effort placed in design and appearance? Does the artwork correlate with the category in which it is entered? **25 points**

**Message:** Does the message portrayed apply to a specific category? Is the issue Wyoming related? **25 points**

**Overall Appearance and Originality:** Is the bookmark an original idea? Does it portray a positive message about Wyoming and the specified categories? Does the bookmark show pride in workmanship and time taken? Judges 1st glance overall view of the bookmark. **25 points**

**Wyoming Agriculture in the Classroom**  
**2219 Carey Avenue**  
**Cheyenne, Wyoming 82002**
